

The Honorable Richard A. Jones

**UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE**

THERESE M. BACKOWSKI, individually
and on behalf of all others similarly situated,

Plaintiff,

v.

PEOPLECONNECT, INC., and INTELIIUS
LLC,

Defendants.

Case No. 2:21-cv-00115-RAJ

DEFENDANTS' NOTICE OF
SUPPLEMENTAL AUTHORITY IN
SUPPORT OF THEIR MOTION TO
DISMISS COMPLAINT

NOTE ON MOTION CALENDAR:
JUNE 11, 2021

* * *

Local Civil Rule 7(n) allows a party to bring to the Court’s attention relevant authority issued after the date of the party’s last brief. The defendants’ last brief in support of their motion to dismiss was filed with this Court on June 7, 2021. ECF No. 18. On June 15, 2021, the U.S. District Court for the Northern District of California issued a decision in *Callahan v. Ancestry.com, Inc., et al*, Case No. 20-cv-08437-LB. A copy of that relevant authority, in which the District Court in the Northern District of California concludes that Ancestry is “immune from liability under the Communications Decency Act” and dismisses the Complaint “with prejudice”, is attached hereto as Exhibit A.

Local Rule 7(n) instructs parties not to submit argument with the notice of supplemental authority. If this Court requests further argument regarding the decision in *Callahan*, however, the defendants will happily supplement their briefing to address this new relevant authority.

Dated this 15th day of June, 2021.
